HOME
IS THE FIRST AND ONLY
BILLION-DOLLAR
SAVINGS ASSOCIATION

Home Savings is the nation's largest savings association—the acknowledged leader in its field.

What is it about Home that attracts more savings (over \$1 billion) and more customers (nearly half a million)?

Home keeps its promises to savers, delivering a safe, profitable savings investment. Since 1889, no one ever lost a penny of savings entrusted to Home.

In addition, accounts are insured to the full limit of the Federal Savings and Loan Insurance Corporation. Amounts up to \$1 million or more are accepted at Home.

As for profit, savings at Home earn the highest prevailing rate, with earnings paid or compounded four times a year. Home makes it pleasant and convenient to open and maintain savings accounts. Home serves more communities with more branch offices than any other savings association in America.

Home guards an enviable reputation for sound management. Home's operating costs are kept the lowest average in the industry—13.6% of gross income as compared to 21.2% the average savings association spends on operations.

Home's unmatched size and strength is the direct result of keeping its promises to savers. It is a size based on merit.
